Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Please clarify your relationship, if any, with "Citizens Club for Growth, Inc. PAC," which appears to be an affiliated committee. "All committees...established, financed, maintained or controlled by the same corporation, labor organization, person or group of persons...are affiliated." A membership organization is also included in this definition. 11 CFR §100.5(g) According to its latest Amended Statement of Organization, received 1/29/07, "Citizens Club for Growth Inc. PAC" discloses its connected organization as "Citizens Club for Growth, Inc." Your Statement of Organization, received 2/9/07, appears to disclose a similar connected organization "Club for Growth." For further guidance on the question of affiliation, please refer to 11 CFR §100.5(g) and §110.3. If your committee is affiliated with "Citizens Club for Growth, Inc." you should amend your Statement of Organization to reflect this relationship as "affiliated" on Line 6.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. Requests for extensions of time in which to respond will not be considered.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
